

Iglesia Anglicana DE CHILE

Introduction

The Anglican Communion consists of 40 autonomous churches, also known as provinces around the world. It encompasses over 165 countries. This is a short introduction to the Iglesia Anglicana de Chile or The Anglican Church in Chile. More information about The Anglican Communion and each of the Member Churches can be found at www.anglicancommunion.org.

Short history

British immigrants brought Anglicanism to South America in the 19th Century and there was strong work by the South America Missionary Society among the indigenous peoples throughout the century. The Archbishop of Canterbury handed over his metro political authority for the dioceses of the Southern Cone in 1974 and a new province – including Chile – was established within a decade. Chile became a separate province in November 2018.
